

Dear Business Owner or Manager:

Copies of the Back Country Horsemen of Washington 2012 calendar are now available; they are a high quality product which we have produced since 2002. We believe you will want to carry the BCHW 2012 calendar in your store this fall. The BCHW calendar was developed both as a fund-raiser and a tool to highlight our awesome State of Washington and the work we do to keep trails and trail heads open for all recreational users.

Please use the form below when ordering. For more information contact Lori Lennox at (360)- 482-2742 or by email at lennox82@gmail.com
