

2016 MVBCH AND BCHW STATE-WIDE WORK PARTY

The trails in the Twisp River and Sawtooth Wilderness are in need of our help!

The Back Country Horsemen of Washington and the Methow Valley chapter are sponsoring a State Wide Work Party June 30th – July 4th 2016. Our base will be the Twisp River Horse Camp in the Methow Valley and we'll spend five days logging out and brushing trails as well as building turnpikes. There will be many opportunities to pitch in and help around the camp, and we need lots of volunteers to do much-needed tread work and brushing on the trails! In addition, we all get 3 hearty meals a day for our work!

ALL TRAIL USERS ARE WELCOME!

To join us in this wonderful summer adventure, contact MVBCH Trail Boss Bill Ford, MVBCH President Cathy Upper, or BCHW Special Projects Coordinator Jason Ridlon.
