Subject: Volunteer Agreement for Back Country Horsemen of Washington

To: PNW Research Station Director, Region 6 WA Forest Supervisors, CRGNSA
Deputy Area Manager

In collaboration with the Office of Recreation, Land and Minerals (RLM), and the Office of Communication and Community Engagement (OCCE), this agreement honors the longstanding relationship with the Back Country Horsemen of Washington (BCHW); a nonprofit organization; and seeks to create efficient and streamlined opportunities for collaboration in the coming years as well as extra analysis for the present COVID environment.

A coordinated effort by Forest-level staff has provided input and review into the content of this agreement.

Thank you very much for your time and consideration.

GLENN P. CASAMASSA
Regional Forester
