Winter storm damage is extensive – there is a lot of work to do! We need volunteers for camp and trail work. Tasks include: brushing/swamping (a lot of swamping!), blowdown removal (sawyers needed!) and cleanup of campsites. We will also be removing the rotten roof on the vault toilet and (hopefully) installing the new roof. Something for everyone! Bring gloves, appropriate attire. Tools, PPE's provided (Sawyers need to bring their own saw/PPE)
