RCW 18.51.005 Purpose. The purpose of this chapter is to provide for the development, establishment, and enforcement of standards for the maintenance and operation of nursing homes, which, in the light of advancing knowledge, will promote safe and adequate care and treatment of the individuals therein. An important secondary purpose is the improvement of nursing home practices by educational methods so that such practices eventually exceed the minimum requirements of the basic law and its original standards. [1951 c 117 § 1.]

RCW 18.51.007 Legislative intent. It is the intent of the legislature in enacting chapter 99, Laws of 1975 1st ex. sess. to

establish (1) a system for the imposition of prompt and effective sanctions against nursing homes in violation of the laws and regulations of this state relating to patient care; (2) an inspection and reporting system to insure that nursing homes are in compliance with state statutes and regulations pertaining to patient care; and (3) a mechanism to insure that licenses are issued to or retained by only those nursing homes that meet state standards for resident health and safety. [1981 1st ex.s. c 2 § 14; 1975 1st ex.s. c 99 § 3.]

Severability—Effective dates—1981 1st ex.s. c 2: See notes following RCW 18.51.010.

RCW 18.51.009 Resident rights. RCW 70.129.007, 70.129.105, 70.129.150 through 70.129.170, and 70.129.190 apply to this chapter and persons regulated under this chapter. [2021 c 159 § 6; 1994 c 214 § 22.]

Findings—2021 c 159: See note following RCW 18.20.520.

Conflict with federal requirements—1994 c 214: See RCW 70.129.901.

RCW 18.51.010 Definitions. (1) "Community-based care" means but is not limited to the following:

- (a) Home delivered nursing services;
- (b) Personal care;
- (c) Day care;
- (d) Nutritional services, both in-home and in a communal dining setting;

- (e) Habilitation care; and

- (f) Respite care.

(2) "Department" means the state department of social and health services.

(3) "Nursing home" means any home, place or institution which operates or maintains facilities providing convalescent or chronic care, or both, for a period in excess of twenty-four consecutive hours for three or more patients not related by blood or marriage to the operator, who by reason of illness or infirmity, are unable properly to care for themselves. Convalescent and chronic care may include but not be limited to any or all procedures commonly employed in waiting on the sick, such as administration of medicines, preparation of special diets, giving of bedside nursing care, application of dressings and bandages, and carrying out of treatment prescribed by a duly licensed practitioner of the healing arts. It may also include care of mentally incompetent persons. It may also include community-based care. Nothing in this definition shall be construed to include general hospitals or other places which provide care and treatment for the acutely ill and maintain and operate facilities for major surgery or obstetrics, or both. Nothing in this definition shall be construed to include any *assisted living facility, guest home, hotel or related institution which is held forth to the public as providing, and which is operated to give only board, room and laundry to persons not in need of medical or nursing treatment or supervision except in the case of temporary acute illness. The mere designation by the operator of

any place or institution as a hospital, sanitarium, or any other similar name, which does not provide care for the acutely ill and maintain and operate facilities for major surgery or obstetrics, or both, shall not exclude such place or institution from the provisions of this chapter: PROVIDED, That any nursing home providing psychiatric treatment shall, with respect to patients receiving such treatment, comply with the provisions of RCW 71.12.560 and 71.12.570.

(4) "Person" means any individual, firm, partnership, corporation, company, association, or joint stock association, and the legal successor thereof.

(5) "Secretary" means the secretary of the department of social and health services. [2012 c 10 § 35; 1983 c 236 § 1; 1981 1st ex.s. c 2 § 15; 1973 1st ex.s. c 108 § 1; 1953 c 160 § 1; 1951 c 117 § 2.]

Reviser's note: *(1) The term "boarding home" was changed to "assisted living facility" throughout the code by 2012 c 10. However, in this section, "assisted living facility" appears to be the incorrect term.

(2) The definitions in this section have been alphabetized pursuant to RCW 1.08.015(2)(k).

Application—2012 c 10: See note following RCW 18.20.010.

Construction—1983 c 236: "Nothing in this 1983 act affects the provisions of chapter 70.38 RCW." [1983 c 236 § 3.]

[1953 c 160 § 3; 1951 c 117 § 5.]

RCW 18.51.050 License—Issuance, renewal—Fee—Display. (1)(a) Upon receipt of an application for a license, the department may issue a license if the applicant and the nursing home's facilities meet the requirements established under this chapter, except that the

department shall issue a temporary license to a court-appointed receiver for a period not to exceed six months from the date of appointment.

(b) (i) Except as provided in (b) (ii) of this subsection, prior to the issuance or renewal of the license, the licensee shall pay a license fee. Beginning July 1, 2011, and thereafter, the per bed license fee must be established in the omnibus appropriations act and any amendment or additions made to that act. The license fees established in the omnibus appropriations act and any amendment or additions made to that act may not exceed the department's annual licensing and oversight activity costs and shall include the department's cost of paying providers for the amount of the license fee attributed to medicaid clients.

A nursing home license shall be issued only to the person who applied for the license. The license is valid only for the operation of the facility at the location specified in the license application. Licenses are not transferable or assignable. Licenses shall be posted in a conspicuous place on the licensed premises. Severability—Effective dates—1981 1st ex.s. c 2: See notes following RCW 18.51.010.

RCW 18.51.054 Denial of license. The department may deny a license to any applicant if the department finds that the applicant or any partner, officer, director, managerial employee, or owner of five percent or more of the applicant:

(1) Operated a nursing home without a license or under a revoked or suspended license; or

(2) Knowingly or with reason to know made a false statement of a material fact (a) in an application for license or any data attached thereto, or (b) in any matter under investigation by the department; or

(5) Has a history of significant noncompliance with federal or state regulations in providing nursing home care. In deciding whether to deny a license under this section, the factors the department considers shall include the gravity and frequency of the noncompliance. [1989 c 372 § 7; 1985 c 284 § 1.]

RCW 18.51.060 Penalties—Grounds. (1) In any case in which the department finds that a licensee, or any partner, officer, director, owner of five percent or more of the assets of the nursing home, or managing employee failed or refused to comply with the requirements of this chapter or of chapter 74.42 RCW, or the standards, rules, and regulations established under them or, in the case of a medicaid contractor, failed or refused to comply with the medicaid requirements of Title XIX of the social security act, as amended, and regulations promulgated thereunder, the department may take any or all of the following actions:

(a) Suspend, revoke, or refuse to renew a license;

(b) Order stop placement;

(c) Assess monetary penalties of a civil nature;

(d) Deny payment to a nursing home for any medicaid resident admitted after notice to deny payment. Residents who are medicaid recipients shall not be responsible for payment when the department takes action under this subsection;

(e) Appoint temporary management as provided in subsection (7) of this section.

(2) The department may suspend, revoke, or refuse to renew a license, assess monetary penalties of a civil nature, or both, in any case in which it finds that the licensee, or any partner, officer, director, owner of five percent or more of the assets of the nursing home, or managing employee:

(a) Operated a nursing home without a license or under a revoked or suspended license; or

(b) Knowingly or with reason to know made a false statement of a material fact in his or her application for license or any data attached thereto, or in any matter under investigation by the department; or

(c) Refused to allow representatives or agents of the department to inspect all books, records, and files required to be maintained or any portion of the premises of the nursing home; or

(d) Willfully prevented, interfered with, or attempted to impede in any way the work of any duly authorized representative of the

department and the lawful enforcement of any provision of this chapter or of chapter 74.42 RCW; or

(e) Willfully prevented or interfered with any representative of the department in the preservation of evidence of any violation of any of the provisions of this chapter or of chapter 74.42 RCW or the standards, rules, and regulations adopted under them; or

(f) Failed to report patient abuse or neglect in violation of chapter 70.124 RCW; or

(g) Fails to pay any civil monetary penalty assessed by the department pursuant to this chapter within ten days after such assessment becomes final.

(3) The department shall deny payment to a nursing home having a medicaid contract with respect to any medicaid-eligible individual admitted to the nursing home when:

(a) The department finds the nursing home not in compliance with the requirements of Title XIX of the social security act, as amended, and regulations promulgated thereunder, and the facility has not complied with such requirements within three months; in such case, the department shall deny payment until correction has been achieved; or

(b) The department finds on three consecutive standard surveys that the nursing home provided substandard quality of care; in such case, the department shall deny payment for new admissions until the facility has demonstrated to the satisfaction of the department that it is in compliance with medicaid requirements and that it will remain in compliance with such requirements.

(4) (a) Civil penalties collected under this section or under chapter 74.42 RCW shall be deposited into a special fund administered by the department to be applied to the protection of the health or property of residents of nursing homes found to be deficient, including payment for the costs of relocation of residents to other facilities, maintenance of operation of a facility pending correction of deficiencies or closure, and reimbursement of residents for personal funds lost.

(b) Civil monetary penalties, if imposed, may be assessed and collected, with interest, for each day a nursing home is or was out of compliance. Civil monetary penalties shall not exceed three thousand dollars per violation. Each day upon which the same or a substantially similar action occurs is a separate violation subject to the assessment of a separate penalty.

(c) Any civil penalty assessed under this section or chapter 74.46 RCW shall be a nonreimbursable item under chapter 74.46 RCW.

(5) (a) The department shall order stop placement on a nursing home, effective upon oral or written notice, when the department determines:

(i) The nursing home no longer substantially meets the requirements of chapter 18.51 or 74.42 RCW, or in the case of medicaid contractors, the requirements of Title XIX of the social security act, as amended, and any regulations promulgated under such statutes; and

(ii) The deficiency or deficiencies in the nursing home:

(A) Jeopardize the health and safety of the residents, or

(B) Seriously limit the nursing home's capacity to provide adequate care.

(b) When the department has ordered a stop placement, the department may approve a readmission to the nursing home from a hospital when the department determines the readmission would be in the best interest of the individual seeking readmission.

(c) The department shall terminate the stop placement when:

(i) The provider states in writing that the deficiencies necessitating the stop placement action have been corrected; and

(ii) The department staff confirms in a timely fashion not to exceed fifteen working days that:

(A) The deficiencies necessitating stop placement action have been corrected, and

(B) The provider exhibits the capacity to maintain adequate care and service.

(d) A nursing home provider shall have the right to an informal review to present written evidence to refute the deficiencies cited as the basis for the stop placement. A request for an informal review must be made in writing within ten days of the effective date of the stop placement.

(e) A stop placement shall not be delayed or suspended because the nursing home requests a hearing pursuant to chapter 34.05 RCW or an informal review. The stop placement shall remain in effect until:

(i) The department terminates the stop placement; or

(ii) The stop placement is terminated by a final agency order, after a hearing, pursuant to chapter 34.05 RCW.

(6) If the department determines that an emergency exists as a result of a nursing home's failure or refusal to comply with requirements of this chapter or, in the case of a medicaid contractor, its failure or refusal to comply with medicaid requirements of Title XIX of the social security act, as amended, and rules adopted thereunder, the department may suspend the nursing home's license and order the immediate closure of the nursing home, the immediate transfer of residents, or both.

(7) If the department determines that the health or safety of residents is immediately jeopardized as a result of a nursing home's failure or refusal to comply with requirements of this chapter or, in the case of a medicaid contractor, its failure or refusal to comply with medicaid requirements of Title XIX of the social security act, as amended, and rules adopted thereunder, the department may appoint temporary management to:

(a) Oversee the operation of the facility; and

(b) Ensure the health and safety of the facilities residents while:

(i) Orderly closure of the facility occurs; or

(ii) The deficiencies necessitating temporary management are corrected.

(8) The department shall by rule specify criteria as to when and how the sanctions specified in this section shall be applied. Such criteria shall provide for the imposition of incrementally more severe penalties for deficiencies that are repeated, uncorrected, pervasive, or present a threat to the health, safety, or welfare of the residents. [2011 c 336 § 486; 1989 c 372 § 8; 1987 c 476 § 23; 1981 1st ex.s. c 2 § 18; 1979 ex.s. c 228 § 10; 1975 1st ex.s. c 99 § 2; 1953 c 160 § 5; 1951 c 117 § 7.]

All orders of the department imposing stop placement, temporary management, emergency closure, emergency transfer, or license suspension, shall be effective immediately upon notice. Orders of the department imposing denial of payment shall become final twenty days after the same has been served, unless a hearing is requested, except that such orders shall be effective immediately upon notice and pending any hearing when the department determines the deficiencies jeopardize the health and safety of the residents or seriously limit the nursing home's capacity to provide adequate care. All hearings hereunder and judicial review of such determinations shall be in accordance with the administrative procedure act, chapter ((34.04)) 34.05 RCW, except that all orders of the department imposing stop placement, temporary management, emergency closure, emergency transfer, or license suspension shall be effective pending any hearing, and except that chapter 34.05 RCW shall have no application to receivership, which is instituted by direct petition to superior court as provided for in RCW 18.51.410 through 18.51.520. The inspection shall be made without providing advance notice of it. Every inspection may include an inspection of every part of the premises and an examination of all records, methods of administration, the general and special dietary and the stores and methods of supply. Those nursing homes that provide community-based care shall establish and maintain separate and distinct accounting and other essential records for the purpose of appropriately allocating costs of the providing of such care: PROVIDED, That such costs shall not be considered allowable costs for reimbursement purposes under chapter 74.46 RCW. Following such inspection or inspections, written notice of any violation of this law or the rules and regulations promulgated hereunder, shall be given to the applicant or licensee and

The department may prescribe by regulations that any licensee or applicant desiring to make specified types of alterations or additions to its facilities or to construct new facilities shall, before commencing such alteration, addition or new construction, submit its plans and specifications therefor to the department for preliminary inspection and approval or recommendations with respect to compliance with the regulations and standards herein authorized.

(2) If a pandemic, natural disaster, or other declared state of emergency prevents the department from completing inspections according to the timeline in subsection (1) of this section, the department shall adopt rules to reestablish inspection timelines based on the length of time since the last complete inspection, compliance history of each facility, immediate health or safety concerns, and centers for medicare and medicaid services requirements.

(a) Rules adopted under this subsection (2) are effective until the termination of the pandemic, natural disaster, or other declared state of emergency or until the department determines that all facility inspections are occurring according to time frames established in subsection (1) of this section, whichever occurs later. Once the department determines a rule adopted under this subsection (2) is no longer necessary, it must repeal the rule under RCW 34.05.353.

The contact information for each resident representative must include the resident representative's name, relationship to the resident, phone number, and, if available, email and mailing address;

(c) Record and update the aggregated contact information required by this section, upon receipt of new or updated contact information from the resident or resident representative; and

(b) The state long-term care ombuds program and all long-term care ombuds are considered a "health oversight agency," so that the federal health insurance portability and accountability act and chapter 70.02 RCW do not preclude nursing homes from providing the information required by this section when requested by any long-term care ombuds, and pursuant to these laws, the federal older Americans act, federal regulations, and state laws that govern the state long-term care ombuds program, nursing homes are not required to seek or obtain consent from residents or resident representatives prior to providing the information required by this section in accordance with the requirements of this section;

(c) The information required by this section, when provided by a nursing home to a requesting long-term care ombuds, becomes property of the state long-term care ombuds program and is subject to all state and federal laws governing the confidentiality and disclosure of the files, records, and information maintained by the state long-term care ombuds program or any local long-term care ombuds entity; and

(d) The nursing home may not refuse to provide or unreasonably delay providing the resident roster, the contact information for a resident or resident representative, or the aggregated contact information required by this section, on any basis, including on the basis that the nursing home must first seek or obtain consent from one or more of the residents or resident representatives.

(3) Nothing in this section shall interfere with or diminish the authority of any long-term care ombuds to access nursing homes, residents, and resident records as otherwise authorized by law.

(4) For the purposes of this section, "resident representative" has the same meaning as in RCW 70.129.010. [2021 c 159 § 8.]

RCW 18.51.350 Conflict with federal requirements. If any part of this chapter is found to conflict with federal requirements which are a prescribed condition to the allocation of federal funds to the state, the conflicting part of this chapter is hereby declared to be inoperative solely to the extent of the conflict, and such finding or determination shall not affect the operation of the remainder of this chapter. [1981 2nd ex.s. c 11 § 1.]

RCW 18.51.400 Receivership—Legislative findings. The legislature finds that the closure of a nursing home can have devastating effects on residents and, under certain circumstances, courts should consider placing nursing homes in receivership. As receivership has long existed as a remedy to preserve assets subject to litigation and to reorganize troubled affairs, the legislature finds that receivership is to be used to correct problems associated with either the disregard of residents' health, safety, or welfare or with the possible closure of the nursing home for any reason. [1987 c 476 § 9.]

RCW 18.51.410 Receivership—Petition to establish—Grounds. A petition to establish a receivership shall allege that one or more of the following conditions exist and that the current operator has demonstrated an inability or unwillingness to take actions necessary to immediately correct the conditions alleged:

- (1) The facility is operating without a license;
- (2) The facility has not given the department prior written notice of its intent to close and has not made arrangements within thirty days before closure for the orderly transfer of its residents: PROVIDED, That if the facility has given the department prior written notice but the department has not acted with all deliberate speed to transfer the facility's residents, this shall bar the filing of a petition under this subsection;
- (3) The health, safety, or welfare of the facility's residents is immediately jeopardized;
- (4) The facility demonstrates a pattern and practice of violating chapter 18.51 or 74.42 RCW and rules adopted thereunder such that the facility has demonstrated a repeated inability to maintain minimum patient care standards; or
- (5) The facility demonstrates a pattern or practice of violating a condition level as defined by the federal government under the authority of Title XIX of the social security act.

The department may file a petition in the superior court in the county in which the nursing home is located or in the superior court of Thurston county. The current or former operator or licensee and the owner of the nursing home, if different than the operator or licensee, shall be made a party to the action. The court shall grant the petition if it finds, by a preponderance of the evidence, that one or

more of the conditions listed in subsections (1) through (5) of this section exists and, subject to RCW 18.51.420, that the current operator is unable or unwilling to take actions necessary to immediately correct the conditions. [1989 c 372 § 10; 1987 c 476 § 10.]

RCW 18.51.420 Receivership—Defenses to petition. It shall be a defense to the petition to establish a receivership that the conditions alleged do not in fact exist. It shall not be a defense to the petition to allege that the respondent did not possess knowledge of the alleged condition or could not have been reasonably expected to know about the alleged condition. In a petition that alleges that the health, safety, or welfare of the residents of the facility is at issue, it shall not be a defense to the petition that the respondent had not been afforded a reasonable opportunity to correct the alleged condition. [1987 c 476 § 11.]

RCW 18.51.430 Receivership—Persons qualified to act as receiver. A petition for receivership shall include the name of the candidate for receiver. The department shall maintain a list of qualified persons to act as receivers, however, no person may be considered to be qualified to be a receiver who:

- (1) Is the owner, licensee, or administrator of the facility;
- (2) Is affiliated with the facility;
- (3) Has a financial interest in the facility at the time the receiver is appointed; or
- (4) Has owned or operated a nursing home that has been ordered into receivership.

If a receiver is appointed, he or she may be drawn from the list but need not be, but an appointee shall have experience in providing long-term health care and a history of satisfactory operation of a nursing home. Preference may be granted to persons expressing an interest in permanent operation of the facility. [1989 c 372 § 3; 1987 c 476 § 12.]

RCW 18.51.440 Receivership—Judicial hearing. Upon receipt of a petition for receivership, the court shall hear the matter within fourteen days. Temporary relief may be obtained under chapter 7.40 RCW and other applicable laws. In all actions arising under RCW 18.51.410 through 18.51.530, the posting of a certified copy of the summons and petition in a conspicuous place in the nursing home shall constitute service of those documents upon the respondent. [1989 c 372 § 11; 1987 c 476 § 13.]

RCW 18.51.450 Receivership—Appointment of receiver. Upon agreement of the candidate for receiver to the terms of the receivership and any special instructions of the court, the court may appoint that person as receiver of the nursing home if the court determines it is likely that a permanent operator will be found or conditions will be corrected without undue risk of harm to the patients. Appointment of a receiver may be in lieu of or in addition to temporary removal of some or all of the patients in the interests

of their health, security, or welfare. A receiver shall be appointed for a term not to exceed six months, but a term may be extended for good cause shown. [1987 c 476 § 14.]

RCW 18.51.460 Receivership—Termination—Conditions. (1) The receivership shall terminate:

(a) When all deficiencies have been eliminated and the court determines that the facility has the management capability to ensure continued compliance with all requirements; or

(b) When all residents have been transferred and the facility closed.

(2) Upon the termination of a receivership, the court may impose conditions to assure the continued compliance with chapters 18.51 and 74.42 RCW, and, in the case of medicaid contractors, continued compliance with Title XIX of the social security act, as amended, and regulations promulgated thereunder. [1989 c 372 § 12; 1987 c 476 § 15.]

RCW 18.51.470 Receivership—Accounting of acts and expenditures by receiver. The receiver shall render to the court an accounting of acts performed and expenditures made during the receivership. Nothing in this section relieves a court-appointed receiver from the responsibility of making all reports and certifications to the department required by law and regulation relating to the receiver's operation of the nursing home, the care of its residents, and participation in the medicaid program, if any. [1987 c 476 § 16.]

RCW 18.51.480 Receivership—Compensation, liability—Revision of medicaid reimbursement rate. If a receiver is appointed, the court shall set reasonable compensation for the receiver to be paid from operating revenues of the nursing home. The receiver shall be liable in his or her personal capacity only for negligent acts, intentional acts, or a breach of a fiduciary duty to either the residents of the facility or the current or former licensee or owner of the facility.

The department may revise the nursing home's medicaid reimbursement rate, consistent with reimbursement principles in chapter 74.46 RCW and rules adopted under that chapter, if revision is necessary to cover the receiver's compensation and other reasonable costs associated with the receivership and transition of control. Rate revision may also be granted if necessary to cover start-up costs and costs of repairs, replacements, and additional staff needed for patient health, security, or welfare. The property return on investment components of the medicaid rate shall be established for the receiver consistent with reimbursement principles in chapter 74.46 RCW. The department may also expedite the issuance of necessary licenses, contracts, and certifications, temporary or otherwise, necessary to carry out the purposes of receivership. [1987 c 476 § 17.]

RCW 18.51.490 Receivership—Powers of receiver. Upon appointment of a receiver, the current or former licensee or operator and managing agent, if any, shall be divested of possession and

control of the nursing home in favor of the receiver who shall have full responsibility and authority to continue operation of the home and the care of the residents. The receiver may perform all acts reasonably necessary to carry out the purposes of receivership, including, but not limited to:

- (1) Protecting the health, security, and welfare of the residents;
- (2) Remediating violations of state and federal law and regulations governing the operation of the home;
- (3) Hiring, directing, managing, and discharging all consultants and employees for just cause; discharging the administrator of the nursing home; recognizing collective bargaining agreements; and settling labor disputes;
- (4) Receiving and expending in a prudent manner all revenues and financial resources of the home; and
- (5) Making all repairs and replacements needed for patient health, security, and welfare: PROVIDED, That expenditures for repairs or replacements in excess of five thousand dollars shall require approval of the court which shall expedite approval or disapproval for such expenditure.

Upon order of the court, a receiver may not be required to honor leases, mortgages, secured transactions, or contracts if the rent, price, or rate of interest was not a reasonable rent, price, or rate of interest at the time the contract was entered into or if a material provision of the contract is unreasonable. [1987 c 476 § 18.]

RCW 18.51.500 Receivership—Financial assistance—Use of revenues and proceeds of facility. Upon order of the court, the department shall provide emergency or transitional financial assistance to a receiver not to exceed thirty thousand dollars. The receiver shall file with the court an accounting for any money expended. Any emergency or transitional expenditure made by the department on behalf of a nursing home not certified to participate in the Medicaid Title XIX program shall be recovered from revenue generated by the facility which revenue is not obligated to the operation of the facility. An action to recover such sums may be filed by the department against the former licensee or owner at the time the expenditure is made, regardless of whether the facility is certified to participate in the Medicaid Title XIX program or not.

In lieu of filing an action, the department may file a lien on the facility or on the proceeds of the sale of the facility. Such a lien shall take priority over all other liens except for liens for wages to employees. The owner of the facility shall be entitled to the proceeds of the facility or the sale of the facility to the extent that these exceed the liabilities of the facility, including liabilities to the state, receiver, employees, and contractors, at the termination of the receivership.

Revenues relating to services provided by the current or former licensee, operator, or owner and available operating funds belonging to such licensee, operator, or owner shall be under the control of the receiver. The receiver shall consult the court in cases of extraordinary or questionable debts incurred prior to his or her appointment and shall not have the power to close the home or sell any assets of the home without prior court approval.

Priority shall be given to debts and expenditures directly related to providing care and meeting the needs of patients. Any payment made to the receiver shall discharge the obligation of the payor to the owner of the facility. [1989 c 372 § 4; 1987 c 476 § 19.]

RCW 18.51.510 Receivership—State medical assistance. If the nursing home is providing care to recipients of state medical assistance, the receiver shall become the medicaid contractor for the duration of the receivership period and shall assume all reporting and other responsibilities required by applicable laws and regulations. The receiver shall be responsible for the refund of medicaid rate payments in excess of costs during the period of the receivership. [1987 c 476 § 20.]

RCW 18.51.520 Receivership—Foreclosures and seizures not allowed. No seizure, foreclosure, or interference with nursing home revenues, supplies, real property, improvements, or equipment may be allowed for the duration of the receivership without prior court approval. [1987 c 476 § 21.]

RCW 18.51.530 Notice of change of ownership or management. At least sixty days before the effective date of any change of ownership, change of operating entity, or change of management of a nursing home, the current operating entity shall notify separately and in writing, each resident of the home or the resident's guardian of the proposed change. The notice shall include the identity of the proposed new owner, operating entity, or managing entity and the names, addresses, and telephone numbers of departmental personnel to whom comments regarding the change may be directed. If the proposed new owner, operating entity, or managing entity is a corporation, the notice shall include the names of all officers and the registered agent in the state of Washington. If the proposed new owner, operating entity, or managing entity is a partnership, the notice shall include the names of all general partners. This section shall apply regardless of whether the current operating entity holds a medicaid provider contract with the department and whether the operating entity intends to enter such a contract. [1987 c 476 § 22.]

RCW 18.51.540 Cost disclosure to attending physicians. (1) The legislature finds that the spiraling costs of nursing home care continue to surmount efforts to contain them, increasing at approximately twice the inflationary rate. The causes of this phenomenon are complex. By making nursing home facilities and care providers more aware of the cost consequences of care services for consumers, these providers may be inclined to exercise more restraint in providing only the most relevant and cost-beneficial services and care, with a potential for reducing the utilization of those services. The requirement of the nursing home to inform physicians, consumers, and other care providers of the charges of the services that they order may have a positive effect on containing health costs.

(2) All nursing home administrators in facilities licensed under this chapter shall be required to develop and maintain a written procedure for disclosing patient charges to attending physicians with admitting privileges. The nursing home administrator shall have the capability to provide an itemized list of the charges for all health care services that may be ordered by a physician. The information shall be made available on request of consumers, or the physicians or other appropriate health care providers responsible for prescribing care. [1993 c 492 § 268.]

RCW 18.51.550 Investigation of complaints of violations concerning nursing technicians. The department shall investigate complaints of violations of RCW 18.79.350 and 18.79.360 by an employer. The department shall maintain records of all employers that have violated RCW 18.79.350 and 18.79.360. [2003 c 258 § 9.]

Severability—Effective date—2003 c 258: See notes following RCW 18.79.330.

RCW 18.51.560 Employment of physicians. (1) A nursing home licensed under this chapter may employ physicians for the provision of professional services to its residents under the following conditions:

(a) The nursing home may not in any manner, directly or indirectly, supplant, diminish, or regulate any employed physician's judgment concerning the practice of medicine or the diagnosis and treatment of any patient; and

(b) The employed physicians may provide professional services only to residents of the nursing home or a related living facility.

(2) The employment of physicians as authorized by this section may be through the following entities:

(a) The entity licensed to operate the nursing home; or

(b) A separate entity authorized to conduct business in the state of Washington that has common or overlapping ownership as an affiliate or subsidiary of the licensee, as long as the licensee complies with subsection (3) of this section.

(3) Nothing in this section relieves the licensee of its ultimate responsibility for the daily operations of the nursing home.

(4) Nothing in this section may be construed to interfere with the federal resident rights requirements found in 42 C.F.R. 483.10, or successor rules, or found in this chapter, chapter 74.42 RCW, or the rules adopted by the department addressing resident's rights under this chapter or chapter 74.42 RCW.

(5) As used in this section, "related living facility" means (a) a separate nursing home that is owned, controlled, or managed by the same or an affiliated or subsidiary entity; or (b) a facility that (i) provides independent living services or *boarding home services under chapter 18.20 RCW, in a single contiguous campus as the nursing home, and (ii) is owned, controlled, or managed by the same or related entity as the nursing home. For purposes of this subsection

"contiguous" means land adjoining or touching property on which the nursing home is located, including land divided by a public road. [2011 c 228 § 1.]

***Reviser's note:** The term "boarding home" was changed to "assisted living facility" by 2012 c 10.

RCW 18.51.570 Employment—Certificates of parental improvement.

Nursing homes, as defined in this chapter, may not automatically deny a prospective volunteer or employee solely because of a founded finding of child abuse or neglect involving the individual revealed in the record check or a court finding or a court finding that the individual's child was dependent as a result of a finding that the individual abused or neglected their child pursuant to RCW 13.34.030(6)(b) when that founded finding or court finding is accompanied by a certificate of parental improvement as defined in chapter 74.13 RCW related to the same incident without conducting a review to determine the individual's character, suitability, and competency to volunteer with vulnerable adults. [2020 c 270 § 6.]

Effective date—2020 c 270: See note following RCW 74.13.720.

RCW 18.51.575 Communication system—Telephones and other equipment. (1) Each nursing home must be responsive to incoming communications and respond within a reasonable time to phone and electronic messages.

(2) Each nursing home must have a communication system, including a sufficient quantity of working telephones and other communication equipment to ensure that residents have 24-hour access to communications with family, medical providers, and others, and also to allow for emergency contact to and from facility staff. The telephones and communication equipment must provide for auditory privacy, not be located in a staff office or station, be accessible and usable by persons with hearing loss and other disabilities, and not require payment for local calls. A nursing home is not required to provide telephones at no cost in each resident room. [2021 c 159 § 9.]

Findings—2021 c 159: See note following RCW 18.20.520.

RCW 18.51.580 Disaster preparedness plan. (1) Each nursing home shall develop and maintain a comprehensive disaster preparedness plan to be followed in the event of a disaster or emergency, including fires, earthquakes, floods, infectious disease outbreaks, loss of power or water, and other events that may require sheltering in place, evacuations, or other emergency measures to protect the health and safety of residents. The nursing home shall review the comprehensive disaster preparedness plan annually, update the plan as needed, and train all employees when they begin work in the nursing home on the comprehensive disaster preparedness plan and related staff procedures.

(2) The department shall adopt rules governing the comprehensive disaster preparedness plan. At a minimum, the rules must address the following if not already adequately addressed by federal requirements for emergency planning: Timely communication with the residents' emergency contacts; timely communication with state and local

agencies, long-term care ombuds, and developmental disabilities ombuds; contacting and requesting emergency assistance; on-duty employees' responsibilities; meeting residents' essential needs; procedures to identify and locate residents; and procedures to provide emergency information to provide for the health and safety of residents. In addition, the rules shall establish standards for maintaining personal protective equipment and infection control capabilities, as well as department inspection procedures with respect to the plans. [2021 c 159 § 11.]

Findings—2021 c 159: See note following RCW 18.20.520.

For the purposes of this chapter, the terms spouse, marriage, marital, husband, wife, widow, widower, next of kin, and family shall be interpreted as applying equally to state registered domestic partnerships or individuals in state registered domestic partnerships as well as to marital relationships and married persons, and references to dissolution of marriage shall apply equally to state registered domestic partnerships that have been terminated, dissolved, or invalidated, to the extent that such interpretation does not conflict with federal law. Where necessary to implement chapter 521, Laws of 2009, gender-specific terms such as husband and wife used in any statute, rule, or other law shall be construed to be gender neutral, and applicable to individuals in state registered domestic partnerships. [2009 c 521 § 47.]
