Patients in nursing homes and hospitals, abuse: Chapter 70.124 RCW.

RCW 74.34.005 Findings. The legislature finds and declares that:

(1) Some adults are vulnerable and may be subjected to abuse, neglect, financial exploitation, or abandonment by a family member,

care provider, or other person who has a relationship with the vulnerable adult;

(2) A vulnerable adult may be home bound or otherwise unable to represent himself or herself in court or to retain legal counsel in order to obtain the relief available under this chapter or other protections offered through the courts;

(3) A vulnerable adult may lack the ability to perform or obtain those services necessary to maintain his or her well-being because he or she lacks the capacity for consent;

(4) A vulnerable adult may have health problems that place him or her in a dependent position;

(5) The department and appropriate agencies must be prepared to receive reports of abandonment, abuse, financial exploitation, or neglect of vulnerable adults;

(6) The department must provide protective services in the least restrictive environment appropriate and available to the vulnerable adult. [1999 c 176 § 2.]

Findings—Purpose—1999 c 176: "The legislature finds that the provisions for the protection of vulnerable adults found in chapters 26.44, 70.124, and 74.34 RCW contain different definitions for abandonment, abuse, exploitation, and neglect. The legislature finds that combining the sections of these chapters that pertain to the protection of vulnerable adults would better serve this state's population of vulnerable adults. The purpose of chapter 74.34 RCW is to provide the department and law enforcement agencies with the authority to investigate complaints of abandonment, abuse, financial exploitation, or neglect of vulnerable adults and to provide protective services and legal remedies to protect these vulnerable adults." [1999 c 176 § 1.]

Severability—1999 c 176: "If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected." [1999 c 176 § 36.]

Conflict with federal requirements—1999 c 176: "If any part of this act is found to be in conflict with federal requirements that are a prescribed condition to the allocation of federal funds to the state, the conflicting part of this act is inoperative solely to the extent of the conflict and with respect to the agencies directly affected, and this finding does not affect the operation of the remainder of this act in its application to the agencies concerned. Rules adopted under this act must meet federal requirements that are a necessary condition to the receipt of federal funds by the state." [1999 c 176 § 37.]

RCW 74.34.020 Definitions. The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Abandonment" means action or inaction by a person or entity with a duty of care for a vulnerable adult that leaves the vulnerable person without the means or ability to obtain necessary food, clothing, shelter, or health care.

(2) "Abuse" means the intentional, willful, or reckless action or inaction that inflicts injury, unreasonable confinement, intimidation, or punishment on a vulnerable adult. In instances of abuse of a vulnerable adult who is unable to express or demonstrate physical harm, pain, or mental anguish, the abuse is presumed to cause physical harm, pain, or mental anguish. Abuse includes sexual abuse, mental abuse, physical abuse, and personal exploitation of a vulnerable adult, and improper use of restraint against a vulnerable adult which have the following meanings:

(a) "Sexual abuse" means any form of nonconsensual sexual conduct, including but not limited to unwanted or inappropriate touching, rape, molestation, indecent liberties, sexual coercion, sexually explicit photographing or recording, voyeurism, indecent exposure, and sexual harassment. Sexual abuse also includes any sexual conduct between a staff person, who is not also a resident or client, of a facility or a staff person of a program authorized under chapter 71A.12 RCW, and a vulnerable adult living in that facility or receiving service from a program authorized under chapter 71A.12 RCW, whether or not it is consensual.

(b) "Physical abuse" means the intentional, willful, or reckless action of inflicting bodily injury or physical mistreatment. Physical abuse includes, but is not limited to, striking with or without an object, slapping, pinching, choking, kicking, shoving, or prodding.

(c) "Mental abuse" means an intentional, willful, or reckless verbal or nonverbal action that threatens, humiliates, harasses, coerces, intimidates, isolates, unreasonably confines, or punishes a vulnerable adult. Mental abuse may include ridiculing, yelling, or swearing.

(d) "Personal exploitation" means an act of forcing, compelling, or exerting undue influence over a vulnerable adult causing the vulnerable adult to act in a way that is inconsistent with relevant past behavior, or causing the vulnerable adult to perform services for the benefit of another.

(e) "Improper use of restraint" means the inappropriate use of chemical, physical, or mechanical restraints for convenience or discipline or in a manner that: (i) Is inconsistent with federal or state licensing or certification requirements for facilities, hospitals, or programs authorized under chapter 71A.12 RCW; (ii) is not medically authorized; or (iii) otherwise constitutes abuse under this section.

(3) "Chemical restraint" means the administration of any drug to manage a vulnerable adult's behavior in a way that reduces the safety risk to the vulnerable adult or others, has the temporary effect of restricting the vulnerable adult's freedom of movement, and is not standard treatment for the vulnerable adult's medical or psychiatric condition.

(4) "Consent" means express written consent granted after the vulnerable adult or his or her legal representative has been fully informed of the nature of the services to be offered and that the receipt of services is voluntary.

(5) "Department" means the department of social and health services.

(6) "Facility" means a residence licensed or required to be licensed under chapter 18.20 RCW, assisted living facilities; chapter 18.51 RCW, nursing homes; chapter 70.128 RCW, adult family homes; chapter 72.36 RCW, soldiers' homes; chapter 71A.20 RCW, residential

habilitation centers; or any other facility licensed or certified by the department.

(7) "Financial exploitation" means the illegal or improper use, control over, or withholding of the property, income, resources, or trust funds of the vulnerable adult by any person or entity for any person's or entity's profit or advantage other than for the vulnerable adult's profit or advantage. "Financial exploitation" includes, but is not limited to:

(a) The use of deception, intimidation, or undue influence by a person or entity in a position of trust and confidence with a vulnerable adult to obtain or use the property, income, resources, or trust funds of the vulnerable adult for the benefit of a person or entity other than the vulnerable adult;

(b) The breach of a fiduciary duty, including, but not limited to, the misuse of a power of attorney, trust, or a guardianship appointment, that results in the unauthorized appropriation, sale, or transfer of the property, income, resources, or trust funds of the vulnerable adult for the benefit of a person or entity other than the vulnerable adult; or

(c) Obtaining or using a vulnerable adult's property, income, resources, or trust funds without lawful authority, by a person or entity who knows or clearly should know that the vulnerable adult lacks the capacity to consent to the release or use of his or her property, income, resources, or trust funds.

(8) "Financial institution" has the same meaning as in RCW 30A.22.040 and 30A.22.041. For purposes of this chapter only, "financial institution" also means a "broker-dealer" or "investment adviser" as defined in RCW 21.20.005.

(9) "Hospital" means a facility licensed under chapter 70.41 or 71.12 RCW or a state hospital defined in chapter 72.23 RCW and any employee, agent, officer, director, or independent contractor thereof.

(12)(a) "Isolate" or "isolation" means to restrict a vulnerable adult's ability to communicate, visit, interact, or otherwise associate with persons of his or her choosing. Isolation may be evidenced by acts including but not limited to:

(i) Acts that prevent a vulnerable adult from sending, making, or receiving his or her personal mail, electronic communications, or telephone calls; or

(ii) Acts that prevent or obstruct the vulnerable adult from meeting with others, such as telling a prospective visitor or caller that a vulnerable adult is not present, or does not wish contact, where the statement is contrary to the express wishes of the vulnerable adult.

(b) The term "isolate" or "isolation" may not be construed in a manner that prevents a guardian or limited guardian from performing his or her fiduciary obligations under chapter 11.130 RCW or prevents a hospital or facility from providing treatment consistent with the standard of care for delivery of health services.

(13) "Mandated reporter" is an employee of the department; law enforcement officer; social worker; professional school personnel; individual provider; an employee of a facility; an operator of a facility; an employee of a social service, welfare, mental health, adult day health, adult day care, home health, home care, or hospice agency; county coroner or medical examiner; Christian Science practitioner; or health care provider subject to chapter 18.130 RCW.

(14) "Mechanical restraint" means any device attached or adjacent to the vulnerable adult's body that he or she cannot easily remove that restricts freedom of movement or normal access to his or her body. (15) "Neglect" means (a) a pattern of conduct or inaction by a person or entity with a duty of care that fails to provide the goods and services that maintain physical or mental health of a vulnerable adult, or that fails to avoid or prevent physical or mental harm or pain to a vulnerable adult; or (b) an act or omission by a person or entity with a duty of care that demonstrates a serious disregard of consequences of such a magnitude as to constitute a clear and present danger to the vulnerable adult's health, welfare, or safety, including but not limited to conduct prohibited under RCW 9A.42.100.

(16) "Permissive reporter" means any person, including, but not limited to, an employee of a financial institution, attorney, or volunteer in a facility or program providing services for vulnerable adults.

(17) "Physical restraint" means the application of physical force without the use of any device, for the purpose of restraining the free movement of a vulnerable adult's body. "Physical restraint" does not include (a) briefly holding without undue force a vulnerable adult in order to calm or comfort him or her, or (b) holding a vulnerable adult's hand to safely escort him or her from one area to another.

(18) "Protective services" means any services provided by the department to a vulnerable adult with the consent of the vulnerable adult, or the legal representative of the vulnerable adult, who has been abandoned, abused, financially exploited, neglected, or in a state of self-neglect. These services may include, but are not limited to case management, social casework, home care, placement, arranging for medical evaluations, psychological evaluations, day care, or referral for legal assistance.

(19) "Self-neglect" means the failure of a vulnerable adult, not living in a facility, to provide for himself or herself the goods and services necessary for the vulnerable adult's physical or mental health, and the absence of which impairs or threatens the vulnerable adult's well-being. This definition may include a vulnerable adult who is receiving services through home health, hospice, or a home care agency, or an individual provider when the neglect is not a result of inaction by that agency or individual provider.

(20) "Social worker" means:

(a) A social worker as defined in RCW 18.320.010(2); or

(b) Anyone engaged in a professional capacity during the regular course of employment in encouraging or promoting the health, welfare, support, or education of vulnerable adults, or providing social services to vulnerable adults, whether in an individual capacity or as

RCW 74.34.067 Investigations—Interviews—Ongoing case planning—Agreements with tribes—Conclusion of investigation. (1) Where appropriate, an investigation by the department may include a private interview with the vulnerable adult regarding the alleged abandonment, abuse, financial exploitation, neglect, or self-neglect.

(2) In conducting the investigation, the department shall interview the complainant, unless anonymous, and shall use its best efforts to interview the vulnerable adult or adults harmed, and, consistent with the protection of the vulnerable adult shall interview facility staff, any available independent sources of relevant

(4) The department shall prepare and keep on file a report of each investigation conducted by the department for a period of time in accordance with policies established by the department.

(5) If the department has reason to believe that the vulnerable adult has suffered from abandonment, abuse, financial exploitation, neglect, or self-neglect, and lacks the ability or capacity to consent, and needs the protection of a guardian, the department may bring a guardianship, conservatorship, or other protective proceedings under chapter 11.130 RCW.

(6) For purposes consistent with this chapter, the department, the certified professional guardian [guardianship] board, and the *office of public guardianship may share information contained in reports and investigations of the abuse, abandonment, neglect, self-neglect, and financial exploitation of vulnerable adults. This information may be used solely for (a) recruiting or appointing appropriate guardians and (b) monitoring, or when appropriate, disciplining certified professional or public guardians. Reports of abuse, abandonment, neglect, self-neglect, and financial exploitation are confidential under RCW 74.34.095 and other laws, and secondary disclosure of information shared under this section is prohibited.

(7) When the investigation is completed and the department determines that an incident of abandonment, abuse, financial exploitation, neglect, or self-neglect has occurred, the department shall inform the vulnerable adult of their right to refuse protective services, and ensure that, if necessary, appropriate protective services are provided to the vulnerable adult, with the consent of the vulnerable adult. The vulnerable adult has the right to withdraw or refuse protective services.

(8) The department's adult protective services division may enter into agreements with federally recognized tribes to investigate reports of abandonment, abuse, financial exploitation, neglect, or self-neglect of vulnerable adults on property over which a federally recognized tribe has exclusive jurisdiction. If the department has information that abandonment, abuse, financial exploitation, or neglect is criminal or is placing a vulnerable adult on tribal property at potential risk of personal or financial harm, the department may notify tribal law enforcement or another tribal representative specified by the tribe. Upon receipt of the notification, the tribe may assume jurisdiction of the matter. Neither the department nor its employees may participate in the investigation after the tribe assumes jurisdiction. The department, its officers, and its employees are not liable for any action or inaction of the tribe or for any harm to the alleged victim, the person against whom the allegations were made, or other parties that occurs after the tribe assumes jurisdiction. Nothing in this section limits the

department's jurisdiction and authority over facilities or entities that the department licenses or certifies under federal or state law.

(9) The department may photograph a vulnerable adult or their environment for the purpose of providing documentary evidence of the physical condition of the vulnerable adult or his or her environment. When photographing the vulnerable adult, the department shall obtain permission from the vulnerable adult or his or her legal representative unless immediate photographing is necessary to preserve evidence. However, if the legal representative is alleged to have abused, neglected, abandoned, or exploited the vulnerable adult, consent from the legal representative is not necessary. No such consent is necessary when photographing the physical environment.

(10) When the investigation is complete and the department determines that the incident of abandonment, abuse, financial exploitation, or neglect has occurred, the department shall inform the facility in which the incident occurred, consistent with confidentiality requirements concerning the vulnerable adult, witnesses, and complainants. RCW 74.34.068 Investigation results—Report—Rules. (1) After the investigation is complete, the department may provide a written report of the outcome of the investigation to an agency or program described in this subsection when the department determines from its investigation that an incident of abuse, abandonment, financial exploitation, or neglect occurred. Agencies or programs that may be provided this report are home health, hospice, or home care agencies, or after January 1, 2002, any in-home services agency licensed under chapter 70.127 RCW, a program authorized under chapter 71A.12 RCW, an adult day care or day health program, behavioral health administrative services organizations and managed care organizations authorized under chapter 71.24 RCW, or other agencies. The report may contain the name of the vulnerable adult and the alleged perpetrator. The report shall not disclose the identity of the person who made the report or any witness without the written permission of the reporter or witness. The department shall notify the alleged perpetrator regarding the outcome of the investigation. The name of the vulnerable adult must not be disclosed during this notification.

(2) The department may also refer a report or outcome of an investigation to appropriate state or local governmental authorities responsible for licensing or certification of the agencies or programs listed in subsection (1) of this section.

Finding—2001 c 233: "The legislature recognizes that vulnerable adults, while living in their own homes, may be abused, neglected, financially exploited, or abandoned by individuals entrusted to provide care for them. The individuals who abuse, neglect, financially exploit, or abandon vulnerable adults may be employed by, under contract with, or volunteering for an agency or program providing care for vulnerable adults. The legislature has given the department of social and health services the responsibility to investigate complaints of abandonment, abuse, financial exploitation, or neglect of vulnerable adults and to provide protective services and other legal remedies to protect these vulnerable adults. The legislature finds that in order to continue to protect vulnerable adults, the department of social and health services be given the authority to release report information and to release the results of an investigation to the agency or program with which the individual investigated is employed, contracted, or engaged as a volunteer." If access is denied to an employee of the department seeking to investigate an allegation of abandonment, abuse, financial exploitation, or neglect of a vulnerable adult by an individual, the department may seek an injunction to prevent interference with the investigation. The court shall issue the injunction if the department shows that:

(1) There is reasonable cause to believe that the person is a vulnerable adult and is or has been abandoned, abused, financially exploited, or neglected; and

(2) The employee of the department seeking to investigate the report has been denied access. [1999 c 176 § 11; 1984 c 97 § 14.]

(3) A court or presiding officer in an administrative proceeding may order disclosure of confidential information only if the court, or presiding officer in an administrative proceeding, determines that disclosure is essential to the administration of justice and will not endanger the life or safety of the vulnerable adult or individual who made the report. The court or presiding officer in an administrative hearing may place restrictions on such disclosure as the court or presiding officer deems proper. Reviser's note: *(1) RCW 74.34.030 was repealed by 1999 c 176 § 35.

** (2) RCW 74.34.100 was recodified as RCW 74.34.015 pursuant to 1995 1st sp.s. c 18 § 89, effective July 1, 1995. RCW 74.34.015 was subsequently repealed by 1999 c 176 § 35. RCW 74.34.115 through 74.34.160 were repealed by 2021 c 215 § 170, effective July 1, 2022.

RCW 74.34.180 Retaliation against whistleblowers and residents—Remedies—Rules.

(1) An employee or contractor who is a whistleblower and who as a result of being a whistleblower has been subjected to workplace reprisal or retaliatory action, has the remedies provided under chapter 49.60 RCW. RCW 4.24.500 through 4.24.520, providing certain protection to persons who communicate to government agencies, apply to complaints made under this section. The identity of a whistleblower who complains, in good faith, to the department or the department of health about suspected abandonment, abuse, financial exploitation, or neglect by any person in a facility, licensed or required to be licensed, or care provided in a facility or in a home setting, by any person associated with a hospice, home care, or home health agency licensed under chapter 70.127 RCW or other in-home provider, may remain confidential if requested. The identity of the whistleblower shall subsequently remain confidential unless the department determines that the complaint was not made in good faith.

(2) (a) An attempt to expel a resident from a facility, or any type of discriminatory treatment of a resident who is a consumer of hospice, home health, home care services, or other in-home services by whom, or upon whose behalf, a complaint substantiated by the department or the department of health has been submitted to the department or the department of health or any proceeding instituted under or related to this chapter within one year of the filing of the complaint or the institution of the action, raises a rebuttable presumption that the action was in retaliation for the filing of the complaint.

(b) The presumption is rebutted by credible evidence establishing the alleged retaliatory action was initiated prior to the complaint.

(c) The presumption is rebutted by a review conducted by the department that shows that the resident or consumer's needs cannot be met by the reasonable accommodations of the facility due to the increased needs of the resident.

(3) For the purposes of this section:

(a) "Whistleblower" means a resident or a person with a mandatory duty to report under this chapter, or any person licensed under Title 18 RCW, who in good faith reports alleged abandonment, abuse, financial exploitation, or neglect to the department, or the department of health, or to a law enforcement agency;

(b) "Workplace reprisal or retaliatory action" means, but is not limited to: Denial of adequate staff to perform duties; frequent staff changes; frequent and undesirable office changes; refusal to assign meaningful work; unwarranted and unsubstantiated report of misconduct under Title 18 RCW; letters of reprimand or unsatisfactory performance

evaluations; demotion; denial of employment; or a supervisor or superior encouraging coworkers to behave in a hostile manner toward the whistleblower. The protections provided to whistleblowers under this chapter shall not prevent a facility or an agency licensed under chapter 70.127 RCW from: (i) Terminating, suspending, or disciplining a whistleblower for other lawful purposes; or (ii) for facilities licensed under chapter 70.128 RCW, reducing the hours of employment or terminating employment as a result of the demonstrated inability to meet payroll requirements. The department shall determine if the facility cannot meet payroll in cases in which a whistleblower has been terminated or had hours of employment reduced because of the inability of a facility to meet payroll; and

(c) "Reasonable accommodation" by a facility to the needs of a prospective or current resident has the meaning given to this term under the federal Americans with disabilities act of 1990, 42 U.S.C. Sec. 12101 et seq. and other applicable federal or state antidiscrimination laws and regulations.

(4) This section does not prohibit a facility or an agency licensed under chapter 70.127 RCW from exercising its authority to terminate, suspend, or discipline any employee who engages in workplace reprisal or retaliatory action against a whistleblower.

(5) The department shall adopt rules to implement procedures for filing, investigation, and resolution of whistleblower complaints that are integrated with complaint procedures under this chapter.

(6) (a) Any vulnerable adult who relies upon and is being provided spiritual treatment in lieu of medical treatment in accordance with the tenets and practices of a well-recognized religious denomination may not for that reason alone be considered abandoned, abused, or neglected.

(b) Any vulnerable adult may not be considered abandoned, abused, or neglected under this chapter by any health care provider, facility, facility employee, agency, agency employee, or individual provider who participates in good faith in the withholding or withdrawing of life-sustaining treatment from a vulnerable adult under chapter 70.122 RCW, or who acts in accordance with chapter 7.70 RCW or other state laws to withhold or withdraw treatment, goods, or services.

(7) The department, and the department of health for facilities, agencies, or individuals it regulates, shall adopt rules designed to discourage whistleblower complaints made in bad faith or for retaliatory purposes. [1999 c 176 § 14; 1997 c 392 § 202.]

RCW 74.34.200 Abandonment, abuse, financial exploitation, or neglect of a vulnerable adult—Cause of action for damages—Legislative intent. (1) In addition to other remedies available under the law, a vulnerable adult who has been subjected to abandonment, abuse, financial exploitation, or neglect either while residing in a facility or in the case of a person residing at home who receives care from a home health, hospice, or home care agency, or an individual provider,

shall have a cause of action for damages on account of his or her injuries, pain and suffering, and loss of property sustained thereby. This action shall be available where the defendant is or was a corporation, trust, unincorporated association, partnership, administrator, employee, agent, officer, partner, or director of a facility, or of a home health, hospice, or home care agency licensed or required to be licensed under chapter 70.127 RCW, as now or subsequently designated, or an individual provider.

(2) It is the intent of the legislature, however, that where there is a dispute about the care or treatment of a vulnerable adult, the parties should use the least formal means available to try to resolve the dispute. Where feasible, parties are encouraged but not mandated to employ direct discussion with the health care provider, use of the long-term care ombuds or other intermediaries, and, when necessary, recourse through licensing or other regulatory authorities.

(3) In an action brought under this section, a prevailing plaintiff shall be awarded his or her actual damages, together with the costs of the suit, including a reasonable attorneys' fee. The term "costs" includes, but is not limited to, the reasonable fees for a guardian, guardian ad litem, and experts, if any, that may be necessary to the litigation of a claim brought under this section. RCW 74.34.205 Abandonment, abuse, or neglect—Exceptions. (1) Any vulnerable adult who relies upon and is being provided spiritual treatment in lieu of medical treatment in accordance with the tenets and practices of a well-recognized religious denomination may not for that reason alone be considered abandoned, abused, or neglected.

(2) Any vulnerable adult may not be considered abandoned, abused, or neglected under this chapter by any health care provider, facility, facility employee, agency, agency employee, or individual provider who participates in good faith in the withholding or withdrawing of life-sustaining treatment from a vulnerable adult under chapter 70.122 RCW, or who acts in accordance with chapter 7.70 RCW or other state laws to withhold or withdraw treatment, goods, or services. RCW 74.34.215 Financial exploitation of vulnerable adults. (1) Pending an investigation by the financial institution, the department, or law enforcement, if a financial institution reasonably believes that financial exploitation of a vulnerable adult may have occurred, may have been attempted, or is being attempted, the financial institution may, but is not required to, refuse a transaction requiring disbursement of funds contained in the account:

(a) Of the vulnerable adult;

(b) On which the vulnerable adult is a beneficiary, including a trust or guardianship account; or

(c) Of a person suspected of perpetrating financial exploitation of a vulnerable adult.

(2) A financial institution may also refuse to disburse funds under this section if the department, law enforcement, or the prosecuting attorney's office provides information to the financial institution demonstrating that it is reasonable to believe that financial exploitation of a vulnerable adult may have occurred, may have been attempted, or is being attempted.

(3) A financial institution is not required to refuse to disburse funds when provided with information alleging that financial exploitation may have occurred, may have been attempted, or is being attempted, but may use its discretion to determine whether or not to refuse to disburse funds based on the information available to the financial institution.

(4) A financial institution that refuses to disburse funds based on a reasonable belief that financial exploitation of a vulnerable adult may have occurred, may have been attempted, or is being attempted shall:

(a) Make a reasonable effort to notify all parties authorized to transact business on the account orally or in writing; and

(b) Report the incident to the adult protective services division of the department and local law enforcement.

(5) Any refusal to disburse funds as authorized by this section based on the reasonable belief of a financial institution that financial exploitation of a vulnerable adult may have occurred, may have been attempted, or is being attempted will expire upon the sooner of:

(a) Ten business days after the date on which the financial institution first refused to disburse the funds if the transaction involved the sale of a security or offer to sell a security, as defined in RCW 21.20.005, unless sooner terminated by an order of a court of competent jurisdiction;

(b) Five business days after the date on which the financial institution first refused to disburse the funds if the transaction did not involve the sale of a security or offer to sell a security, as defined in RCW 21.20.005, unless sooner terminated by an order of a court of competent jurisdiction; or

(c) The time when the financial institution is satisfied that the disbursement will not result in financial exploitation of a vulnerable adult.

(6) A court of competent jurisdiction may enter an order extending the refusal by the financial institution to disburse funds based on a reasonable belief that financial exploitation of a vulnerable adult may have occurred, may have been attempted, or is being attempted. A court of competent jurisdiction may also order other protective relief as authorized by RCW 7.40.010 and *74.34.130.

(7) A financial institution or an employee of a financial institution is immune from criminal, civil, and administrative liability for refusing to disburse funds or disbursing funds under this section and for actions taken in furtherance of that determination if the determination of whether or not to disburse funds was made in good faith. [2010 c 133 § 3.]

All other financial institutions shall provide training concerning the financial exploitation of vulnerable adults to employees who have contact with customers and access to account information on a regular basis and as part of their job.

The office of the attorney general and the department shall develop a standardized training that financial institutions may offer, or the financial institution may develop its own training.

(4) A financial institution may provide access to or copies of records that are relevant to suspected financial exploitation or attempted financial exploitation of a vulnerable adult to the department, law enforcement, or the prosecuting attorney's office, either as part of a referral to the department, law enforcement, or the prosecuting attorney's office, or upon request of the department, law enforcement, or the prosecuting attorney's office pursuant to an investigation. The records may include historical records as well as records relating to the most recent transaction or transactions that may comprise financial exploitation.

(5) A financial institution or employee of a financial institution participating in good faith in making a report or providing documentation or access to information to the department, law enforcement, or the prosecuting attorney's office under this chapter shall be immune from criminal, civil, or administrative liability. [2010 c 133 § 5.]

RCW 74.34.300 Vulnerable adult fatality reviews.

(1) The department shall conduct a vulnerable adult fatality review in the event of a death of a vulnerable adult when the department has reason to believe that the death of the vulnerable adult may be related to the abuse, abandonment, exploitation, or neglect of the vulnerable adult, or may be related to the vulnerable adult's self-neglect, and the vulnerable adult was:

(2) When conducting a vulnerable adult fatality review of a person who had been receiving hospice care services before the person's death, the review shall provide particular consideration to the similarities between the signs and symptoms of abuse and those of many patients receiving hospice care services.

(3) All files, reports, records, communications, and working papers used or developed for purposes of a fatality review are confidential and not subject to disclosure pursuant to RCW 74.34.095.
