

BCHW RENDEZVOUS DESSERT DASH

This year (2024) we are introducing a “Dessert Dash” to the Saturday evening dinner/auction. Each table purchased will bring a dessert to serve 8 people. On Saturday starting at 4pm each table will add their dollars (checks or cash) for a chance to “win” the dessert of their choice for the whole table to enjoy. The designated runner from the highest bidding table will dash to the dessert table for first pick...followed closely by the 2nd highest bidding table and so on. Don’t let the next table out-dash yours!

Table purchasers, chapters or individuals need to bring one dessert that serves 8 people for each table you are reserving. Desserts can be as simple as a plate of cookies or cupcakes or as extravagant as a Boston Cream Pie. How about a Dutch Oven dessert? Be sure to label any serving plates with your name so we can be sure that they get back to you. Bake something great or bring your favorite store-bought item.

1. All Desserts must be on the Dessert table by 4pm on Saturday and labeled which table number brought the dessert. Yes, just when the bar opens!
2. Table members contribute funds into your table’s envelope until 5 pm, our emcee will announce where to bring your tables envelope to for verifying your total. (We are working on making credit cards available, more to come later, it is not definite yet.)
3. The table with the most donations will choose the first dessert from the dessert table and continue on until all 50 tables choose a dessert.
