Backcountry Horsemen have been teaching our Leave No Trace Principles by example while helping to maintain thousands of miles of multi-use trails. Your local Whatcom Country Chapter of Backcountry Horsemen works with:

- City and County Parks Departments
- Dept of Natural Resources
- US Forest Service
- Pacific NW Trails Association
- Washington Trails Association

to protect Multi-User Trailheads and trail facilities in remote areas of our region.

Volunteer members ride and pack in supplies by horseback on maintenance projects to benefit many users.

Funds raised buy equipment and supplies to help preserve our right to ride and access public lands for future generations. As a local non profit organization, we rely on community support of our efforts on behalf of all trail users, including riders, bikers, runners, walkers, and naturalists.
